

"Loyalty to Your Soul is a stunning masterpiece in the field of Spiritual Psychology. Without a doubt, this book is destined to become a classic that advances our understanding of human nature and the challenges of life. This work is a tribute to two authors who have artfully combined their years of hard-earned wisdom with their highly respected reputation as leaders in the evolution of consciousness."

— **Caroline Myss**, author of *Defy Gravity* and *Anatomy of the Spirit*

LOYALTY ^{TO} YOUR SOUL

Loyalty to Your Soul establishes Spiritual Psychology as a paradigm-altering frontier. It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday experiences as rungs on the ladder of spiritual evolution. This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in *material* reality and life lived within the context of *spiritual* reality. Engaging in such a journey is not about finding the right job, attracting your soul mate, earning a six-figure income, or indulging your heart's desires, but about satisfying the deep inherent hunger to answer life's larger questions: *Who am I? What is my purpose? and How can I make a more meaningful contribution to my world?*

Loyalty to Your Soul shows you how to first gain access to, and then gradually learn to live from, that sacred place within everyone, referred to by the authors as the Authentic Self—a place where emotional suffering ceases, where answers to the above questions are self-evident, and where profound peace and love are present. While many people have written about such an inner state, **Ron** and **Mary Hulnick** show you how to travel there . . . and what to anticipate once you arrive. The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul.

H. Ronald Hulnick, Ph.D., and **Mary R. Hulnick, Ph.D.,** are world-renowned pioneers and innovators in the emerging field of Spiritual Psychology. As founding faculty and co-directors of the University of Santa Monica (USM), the Worldwide Center for the Study & Practice of Spiritual Psychology™, they have developed and continue to facilitate USM's innovative Master's degree Programs in this field. Their work is highly experiential and seeks to assist students in discovering their own answers to life's essential questions.
